Al For Research For Online Business Owners: The Workbook

I have created this workbook for you so that you can take notes of any ideas that come into your mind while going through the *AI Tactics Volume 1: Using AI For Research In Your Online Business Workshop.* You're going to have a flood of ideas, so make sure that you take really good notes so you don't forget all the great stuff you learn or ideas that "hatch" during what I'm showing you in this workshop!
